Dear Sir:

This is in response to the Decision on Petition mailed June 7, 2010 in the above-captioned application. In response to the dismissal, Applicants hereby provide new corrected drawings in compliance with 37 CFR 1.121(d) as required in the June 8, 2009 Office action. In more detail, there are three sheets of drawings enclosed herewith. The first sheet 1/3 includes the required correction and this first sheet bears a header reciting "replacement sheet AUROR1190-1 10/767,401." The second and third sheets 2/3 & 3/3 are, for the sake of completeness, additional copies of the corresponding sheets that are already of record and no corrections were required to these two sheets in the Action.

It is noted that the Petition filed February 5, 2010 did in-fact include a copy of the new corrected drawing sheet 1/3 as shown by the enclosed photocopy of the date stamped return receipt postcard. It is noted that the Decision mailed June 7, 2010 incorrectly refers to the Petition filed on February 5, 2010 as a "renewed" petition, but the Petition filed on February 5, 2010 was in-fact an original (initial / first) petition.

The entire contents of the Petition filed on February 5, 2010 are incorporated herein by reference. The Director of the U.S. Patent and Trademark Office is hereby authorized to charge any fees or credit any overpayments to Deposit Account No. 50-3204 of John Bruckner PC.

Respectfully submitted,
